

JACKSONVILLE PUBLIC LIBRARY

OPENING & PICK UP SERVICE INFORMATION

FALL 2020

***The library is now open on a limited basis.
Masks and temperature checks are required for entry.***

Families & adults checking out children's materials will enter the north (basement) door and adults without children will use the main entrance. At this time, we are requesting that parents not bring children to the main floor for the safety of all patrons.

We will be strictly enforcing computer use to 1 hour per day; children's gaming computers will be unavailable until further notice.

Preschoolers' Story Time will be virtual this fall; at 10AM most Thursday mornings, we will be going live on Facebook with some fun stories, songs and activities! Tiny Tots Story Time has been postponed until further notice.

Pickup service will continue if you prefer not to enter the library at this time.

Select your items by searching the library catalog online at <https://jacksonvillepl.bywatersolutions.com/>. Then, call (256-435-6332) or email (lotsabooks@hotmail.com) your selections to the library & you will be contacted with pick-up instructions.

You can email documents to be printed to the library - for black & white prints email 260069073@printspots.com & for color prints email 912946688@printspots.com; emails will be held in the print queue for 24 hours before being automatically deleted.

If you have any questions, please contact the library at 256-435-6332 or email to lotsabooks@hotmail.com.
